# Find Your Future at Fanshawe

## A FREE workshop for prospective students

Join us on Tuesday, March 8<sup>th</sup>, 2016 to Find Your Future!

Participants will explore their interests, values and skills to help clarify career aspirations. With specific career choices in mind, participants will learn which college programs can help them achieve their career goals. Finally, participants will be provided with detailed admissions information and a campus tour.

*This workshop is brought to you by Fanshawe's Community Employment Services and the Office of the Registrar.*
